THE REPUBLICANS REJOICE IN A NATIONAL LANDSLIDE

NEXT HOUSE BE STRONGLY REPUBLICAN

The Returns to 2 A. M. In-
dicate a Majority of
Some Fifty.

MANY SURPRISES TO THE DEMOCRATS

They Have Lost in Instances
Where They Expected to
Make Gains—Chairman
Cowherd Among Those
Who Suffered
Defeat.

(By Associated Press.)
WASHINGTON, D. C., November 8.—
President Roosevelt is assured of the co-
operation of a Republican Congress. The
present Republican majority in that body
is 24, and there need no surprise if this
figure is almost doubled, and it is
reasonably certain to reach a majority
of at least fifty.

In practically all districts the Repub-
licans have held their own, while in some
instances the Democrats have lost. Prob-
ably the most marked of these cases are
the Fourth and Fifth Districts of Cal-
ifornia (San Francisco), now represented
by Representatives Livermore and Wynn,
Democrats, which returns indicate have
been gained by the Republicans. In the
Twelfth Ohio District, Taylor, Republi-
can, is reported to have defeated Badger,
the sitting Democratic member, who was
a candidate for re-election.

The most surprising of all the reports,
however, come from the Fifth and Fif-
teenth Missouri Districts, both strongly
Democratic, and the former represented
by Mr. Cowherd, chairman of the Demo-
cratic Congressional Campaign Com-
mittee. The Republicans claim to have car-
ried both districts.

Have Majority of Fifty.
In the light of these reports a Republi-
can majority of fifty in the House is
considered a conservative estimate. Re-
turns from the Southern States show that
they have returned the usual Democratic
majorities on congressmen as on other
candidates. The States of Alabama, Ar-
kansas, Florida, Georgia, Mississippi,
North Carolina, South Carolina and
Texas, all send solid Democratic dele-
gations, while those from Kentucky and
Virginia probably each will send only one
Republican representative, making no
change from the present complexion. Ten-
nessee will continue to send two Republi-
can congressmen.

There are several solid Republican dele-
gations already reported from Northern
States, including Iowa (the one possible
exception), Kansas, Minnesota, New
Hampshire and the two Dakotas. To
these must be added the delegations from
Maine, Oregon and Vermont, in which
States elections were held prior to yes-
terday.

Other States, such as Michigan, Illi-
nois, Ohio, Pennsylvania, and even Indi-
ana and New Jersey, from which the
Democrats hoped for much in the way of
gains, again send to Congress dele-
gations which are preponderantly Republi-
can.

Where Gains Are Made.

In New York the Republicans will
suffer no loss and will gain several con-
gressmen and they will make a gain of
at least two in New Jersey and other
gains are reported from Maryland and
West Virginia. Among the early dis-
patches was one indicating the certain
return of Speaker Cannon.

It is probable the Republican majority
in the Senate will show little if any
change from the present voting strength
there.

North Carolina.

(By Associated Press.)
RALEIGH, N. C., Nov. 8.—The Demo-
cratic congressmen elected in North
Carolina by districts are:
*First, John H. Small (D.).
*Second, Claude Kitchin (D.).
*Third, Charles R. Thomas (D.).
*Fourth, Edward L. Lister (D.).
*Fifth, W. W. Kitchin (D.).
*Sixth, Gilbert B. Patterson (D.).
*Seventh, Robert N. Page (D.).
*Eighth, Edwin T. Webb (D.).
The district probably electing Demo-
cratic congressmen, but not yet deter-
mined, are:
*Ninth, William C. Newland, Demo-
crat, over E. Spencer Blackburn, Republi-
can.

Georgia.

ATLANTA, GA., Nov. 8.—Georgia con-
gressmen elected to-day are as follows:
*First District, R. E. Lester (D.).
*Second, J. M. Griggs (D.).
*Third, E. B. Lewis (D.).
*Fourth, W. C. Anderson (D.).
*Fifth, L. B. Livingston (D.).
*Sixth, C. L. Bartlett (D.).
*Seventh, Gordon Lee (D.).
*Eighth, W. M. Howard (D.).
*Ninth, T. W. Hardwick (D.).
*Tenth, W. G. Brantley (D.).
The only serious contest was in the
Ninth, where Thomas Bell, Democrat, was
opposed by James Ashley, Republican.
Bell's election is practically assured,
though Ashley has not conceded a victory
to his opponent.

Florida.

JACKSONVILLE, FLA., Nov. 8.—The
few scattered returns so far received in-
dicate the usual Democratic majorities in
Florida. The Democratic candidates for
Congress are all elected. They are:
*First, Stephen M. Sparkman (D.).
*Second, Frank Clark (D.).
*Third, William B. Lamar (D.).

PRESIDENT THEODORE ROOSEVELT.

ROOSEVELT WILL NOT RUN AGAIN.

(By Associated Press.)
WASHINGTON, November 8.—President Roosevelt to-night after the
election returns clearly indicated the result, issued the following statement:
"I am deeply sensible of the honor done me by the American people in
thus expressing their confidence in what I have done and have tried to do.
I appreciate to the full the solemn responsibility this confidence imposes
upon me, and I shall do all that is in my power not to forfeit it. On the
4th of March next I shall have served three and a half years, and this three
and a half years constitutes my first term. This wise custom which limits
the President to two terms regards the substance and not the form. Under
no circumstances will I be a candidate for or accept another nomination."

GREAT CROWD SEES DISPLAY OF RETURNS

Thousands of Men, Women
and Children in Capital
Square.

MUSIC AND MOVING PICTURES

Megaphone, Projectoscope
and Search Light Display
the Returns.

Richmond's interest in the national elec-
tion was shown in a most interesting way
last night when thousands of men, wo-
men and children stood in Capitol Square
and watched the returns as they were
displayed by The Times-Dispatch upon the
mammoth canvas.

Besides receiving the information they
sought concerning the election, the crowd
was entertained by music from Iardella's
Band, and amused with many interesting
and humorous moving pictures, also,
thrown upon the canvas.

Early in the evening the crowd began
to assemble in the Square, and by 8
o'clock there were several thousand per-
sons ready to receive the first news from
the front of the great battle of ballots
that had just closed. As the minutes
passed the crowd grew and grew until
long before 9 o'clock, when it easily
reached 10,000, one-third, at least, of
whom were ladies. The returns were
watched with interest, but as the crowd
was largely Democratic, there was little
in the bulletins to encourage them. The
man at the moving picture machine
put on a comic subject and the crowd
laughed heartily. A bulletin from Maryland
huzzahs when a bulletin from Maryland
was displayed announcing that State for
Parker. This momentary relaxation was
disturbed, however, by the gloomy an-
nouncement that Delaware and New
Jersey and Connecticut, and Indiana and
West Virginia had nullified themselves out
of the doubtful column and landed square-
ly into the Republican band wagon.
Notwithstanding all these reverses, the
great crowd held on, hoping that some-
thing might come at last which might
lead up to a change of what seemed a
final defeat.

Music Was Fine.

The splendid entertainment given by
Iardella's Band and the moving picture
man tended to offset the disappointment
of the big Parker crowd.
Beside the Democrats there was a fine
sprinkling of Republicans who bore in
smile which went some off for at least
four years was the largest ever gather-
ed in the Square, crowning even that of
four years ago when Bryan was de-
feated. While there were scarcely more
than 10,000 people in the Square at any
one time, it is likely that at least 25,000
individuals were there at one time or
another during the four hours of the con-
tinuous performance. Expressions

CABLE BUGGY BREAKS AND THREE ARE KILLED

(By Associated Press.)
STUEBENVILLE, O., November 8.—
Three workmen were instantly killed to-
day in a "buggy" used to wrap a wire
cable on the new Steubenville suspension
bridge. The rope supporting the buggy
broke, throwing it against the pier and
hurled the men to death on the ground
below.

Falls to His Death.

(By Associated Press.)
CHARLESTON, S. C., November 8.—
The collapse of a scaffold used in slating
a roof resulted to-day in the instant death
of a white contractor and the serious
injury of three colored workmen, one of
whom may die. They fell forty feet to
the ground.

VIRGINIA'S VOTE WAS SMALL ONE

Wysor Was Defeated by
Slomp in the Ninth
District.

FLOOD SECURES A FINE MAJORITY

The Election Conditions Were
Ideal and There Were No Dis-
turbances Anywhere in the
State—The Democrats
Have Nine Con-
gressmen.

Incomplete returns from almost every
city and county in the State, with the
complete figures from many counties and
cities, indicates that less than fifty per
cent. of the registered vote of Virginia
was cast in yesterday's election for Presi-
dent and Vice-President and members
of the House of Representatives. The
Democratic majority in the State will
approximate 30,000, if the estimates based
on partial returns are worth anything.

Every congressional district in the State
elected a Democrat save the Ninth, which
re-elected Colonel Campbell Slomp by a
majority of from 600 to 1,200. The Re-
publicans in the district claim a much
higher majority. Complete figures alone
can verify or refute their claims.

Flood, in the Tenth District, is returned
by a handsome majority over Revercomb,
Captain Ople, Independent Democrat, did
not run any appreciable figure in the
voting.
Congressman Glass, of the Sixth Dis-
trict, claims his re-election by from five
to six thousand. Mr. Swanson, in the
Fifth District, wins again by a handsome
majority. The opposition in other dis-
tricts was not formidable.
Complete or partial returns were re-

TWO JUDGES ARE KILLED

Fatal Affray in Connection With
the Election at Cripple
Creek.

ORDERED THE DEPUTY OUT

He Refused to Go and Fired
Upon the Judges, Who
Were Union Men.

CRIPPLE CREEK, COL., November

8.—Two Democratic judges were killed
in this district to-day, a Peabody deputy
sheriff was mortally wounded and a num-
ber of Democratic judges were beaten
and thrown into jail. Ike Idebolt and
Chris Miller, judges at Goldfield, were
shot down by one of Sheriff Bell's de-
puties. They had ordered the deputy out
of the polling place. He refused to go,
and turning upon the judges shot and killed
them.

James Wafford, the deputy who killed
the two election officers in Goldfield, was
a secret service man during the military
rule in the district. Miller and Idebolt
were union men.

At Midway, Ed Doyle, a deputy sher-
iff, assaulted Mrs. Kennedy, a Democratic
judge, and in a struggle that ensued tore
her dress and slapped her. Ed Leary,
a Democratic watcher, interfered and
shot Doyle, fatally wounding him.
O'Leary was arrested.

ROOSEVELT ELECTED IN A LANDSLIDE

Republicans Score Sig-
nal Victory, Carrying
Doubtful States.

GET BIG MAJORITY IN NEW YORK STATE

Parker's Plurality in City Smaller
Than Was Expected—Mary-
land and West Virginia
Are Both in the
Republican
Column.

(By Associated Press.)
NEW YORK, November 8.—The Republi-
can national ticket has been elected by
a vote in the electoral college that will
exceed that of 1892 given Mr. McKinley
in 1892.

The result of to-day's balloting was
astounding, even to the most sanguine
of the Republican managers. Confident
as they were of success, they were not
prepared for the astonishing figures
which followed the closing of the polls,
bringing into the Republican column not
only all of those States they had claimed
as safe for their candidates, but with
the possible exception of Maryland, every
State claimed as doubtful.

Democratic successes are confined to
the solid South, in which Kentucky is
included, and Mr. Parker has not car-
ried a single State which did not give
its vote to Mr. Bryan four years ago.
Official returns indicate that he lost some
of those which the Nebraska candidate
held for his party.

How the Vote Stands.
Official figures from the Northwest
cities may slightly change the totals,
but based on the returns available at a
late hour to-night, the electoral vote
stands as follows:

State.	Estimated Plurality.	Electoral Vote.
Colorado	5,000	5
California (conceded Rep.)	10	7
Connecticut	25,000	7
Delaware	2,500	3
Idaho (conceded)	3	3
Illinois	15,000	27
Indiana	125,000	16
Iowa	125,000	13
Kansas	30,000	10
Maine	37,000	6
Maryland (probably Rep.)	8	8
Massachusetts	80,000	16
Michigan	100,000	14
Minnesota	100,000	11
Montana (conceded)	25,000	3
New Jersey	50,000	12
Nebraska	30,000	8
New Hampshire	20,000	4
Nevada (probably Rep.)	3	3
New York	155,000	39
North Dakota	100,000	23
Ohio	30,000	4
Oregon	30,000	4
Pennsylvania	300,000	34
Rhode Island	5,000	4
South Dakota	30,000	4
Utah	5,000	4
Vermont	30,000	4
West Virginia (Rep. major- ity unknown)	7	7
Washington	30,000	5
Wisconsin	60,000	13
Wyoming (largely Rep.)	8	8
This gives Roosevelt a total of 325 electoral votes.		

FOR PARKER.

State.	Estimated Plurality.	Electoral Vote.
Alabama	37,500	11
Arkansas	40,000	9
Florida	45,000	13
Georgia	45,000	13
Kentucky	10,000	13
Louisiana	5,000	9
Mississippi (largely Dem.)	10	10
Missouri	35,000	18
N. Carolina (largely Dem.)	12	12
S. Carolina (largely Dem.)	25,000	12
Tennessee	25,000	12
TEXAS	180,000	18
Virginia (largely Dem.)	13	13
This shows a total electoral vote of 151 for Parker.		

Will Not Run Again.

As a dramatic climax to the sensational
majority given him, came President
Roosevelt's formal announcement that he
would not be a candidate for re-election,
ending the only exciting aspect to an
election light, otherwise so one-sided that
it was impossible for even the victors to
attain that degree of enthusiasm that
usually marks the occasion.

Late in the night came an announce-
ment from Melvin G. Plazer, manager
of the campaign for Thomas E. Watson,
the candidate of the People's party, that
as a result of the overwhelming Demo-
cratic defeat, steps would be taken to
form a new party. To this end, according
to the announcement given out, Mr.
Bryan, Mr. Watson and William Ran-
dolph Hearst will hold a conference in
New York in about a week's time.

The Result Known Early.

The period of suspense that followed
the closing of the polls was not prolonged.
In no election in recent years has the
result been definitely known so soon.
Hardly had the sun gone down when
results in New York began to appear.
By 7 o'clock it was evident that the great
Empire State had given the Republican
candidates a majority beyond the pre-
dictions of the party managers. So con-
vincing was the story of the bulletins,
that at 7:30 August Belmont at Demo-
cratic headquarters conceded Roosevelt's
election by an overwhelming majority,
and half an hour later the Democratic
leaders, who had managed the campaign,
freely admitted that the Republicans had
carried every doubtful State. There was
no disposition to hope against hope. As
State after State sent in its Republican
majority, and the wires told the tale
of the ballots, bringing even from those
Commonwealths upon which they had
based their figures of Democratic suc-
